PIXEL QUILTS CREATOR | SPEAKER | PATTERN DESIGNER | WORKSHOPS

Hi there!

I'm Dee! Self taught quilter with 19+ years of experience.
Lover of all things pixel quilts!

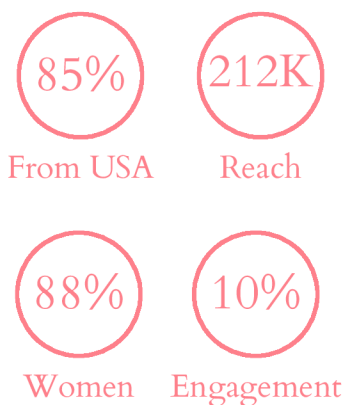

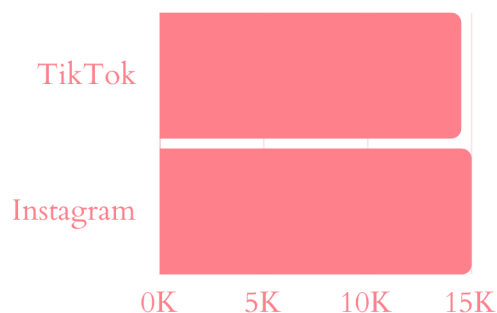

Let's work together!

I am a Brit who now lives in (and loves) Oklahoma USA. I started making quilts 19 years ago but didn't fully love the entire process until I discovered pixel quilts.

Pixel quilts are now my main passion and I travel the world talking and teaching about all things pixels and how others can create their own pixel quilts.
